RESUBMISSION OF REQUEST FOR CERTIFICATE OF
CORRECTION UNDER 37 C.F.R. §1.322

Sir:

Patentees and assignee (Vertex Pharmaceuticals, Inc.) originally filed the attached Request for Certificate of Correction by facsimile transmission to 571-273-8300 on March 17, 2006. REQUEST FOR CERTIFICATE OF
CORRECTION UNDER 37 C.F.R. §1.322

Sir:

This is to request a Certificate of Correction under 37 C.F.R. § 1.322 in the above-identified patent. Patentees and assignee (Vertex Pharmaceuticals, Inc.) have enclosed a Certificate of Correction (Form PTO/SB/44) in duplicate, listing an error that has been found in the above-identified patent. The listed error is believed to be the responsibility of the United States Patent and Trademark Office ("USPTO"). Accordingly, patentees and assignee respectfully request that the USPTO issue a Certificate of Correction.

Patentees and assignee request correction of the filing date listed in item 22 on the cover page of the issued patent. Patentees had filed the above-identified application on June 18, 1999. The USPTO date stamped and mailed the return postcard indicating receipt of the application. A copy of the return postcard is enclosed herewith as Exhibit 1. The Filing Receipt, however, incorrectly recited the filing date of the application as June 14, 1999. Patentees had filed a Request for Corrected Filing Receipt ("the Request") on February 19, 2003. A copy of the Request is enclosed herewith as Exhibit 2. The USPTO again date stamped and mailed the return postcard indicating receipt of the Request. A copy of the return postcard is enclosed herewith as Exhibit 3. The USPTO, however, did not issue a Corrected Filing Receipt, and the patent issued with the incorrect June 14, 1999 filing date. Thus, the failure to list the correct filing date in the issued patent is a USPTO error.

The requested correction does not constitute new matter or require reexamination or additional search. As the listed error is believed to be the responsibility of the USPTO, no fee is believed to be required in connection with this Request. However, should it be determined that a fee is due, the Commissioner is hereby authorized to charge any fee due, or to credit any overpayment to Deposit Account No. 06-1075, Order No. (003602-0003). A duplicate copy of this Request is enclosed herewith.

Respectfully submitted,

James F. Haley, Jr. (Reg. No. 27,794)

REQUEST FOR CORRECTED FILING RECEIPT

Sir:

Applicants request that a Corrected Filing Receipt be issued in the above-identified provisional application. The Filing Receipt incorrectly recites the filing date of the application – June 18, 1999. The Filing Receipt erroneously lists the filing date as June 14, 1999. Accordingly, "June 14, 1999" should be amended to recite "June 18, 1999".

In support of this Request, applicants have enclosed a copy of the postcard date stamped by the United States Patent and Trademark Office (Exhibit "2"), listing the

filing date as June 18, 1999. Applicants have also enclosed a copy of the Filing Receipt and noted the corrections thereon (Exhibit "3").

Accordingly, applicants respectfully request that the Patent and Trademark Office issue a corrected Filing Receipt reciting the correct filing date of June 18, 1999. The error in the Filing Receipt is believed to be the responsibility of the United States Patent and Trademark Office. If for any reason the error is deemed to be the responsibility of applicants, the Commissioner is hereby authorized to charge payment of any fee due in connection with this Request to Deposit Account No. 06-1075. A duplicate copy of this Request is enclosed herewith.
